TUITION REQUIREMENTS

Year 9

Homework is an integral part of preparing students for the future. Without regular homework, students will find it harder to achieve success at a national level. Bay of Islands College aims to develop sound work ethics and increased student productivity through regular homework.

The purpose of homework is to:

1. Reinforce what is taught in the classroom
2. Complete unfinished work
3. Prepare or research information for upcoming units
4. Review what is taught in the classroom
5. Encourage independent learning

Year 9 students can be expected to spend a minimum of 1 hour per night on homework.

Students need to purchase printing credits for subjects as required. These are available from the main office in \$1, \$2 and \$5 cards

All students are required to have basic pencil case equipment, eg pencil, pens, ruler, eraser, compass, etc. Some items may need replacing as the year progresses. All students need a bag to carry school gear in!

Students bringing a tablet or laptop to school are expected to hire a locker to secure their equipment as the school takes no responsibility for loss. Lockers are hired through Stowaway Lockers. Information available at the school office.

MISSION STATEMENT

*Together we will develop respectful students,
maximising their potential
Attendance + Effort = Achievement*
