NAME: \_\_\_\_\_ Form: \_\_\_\_\_

This needs to be filled in and returned to Bay of Islands College as soon as possible.

**NOTE:** Courses are filled on a 'first come, first served' basis. Courses are closed when they reach their maximum number of students. Make very careful choices as it is very difficult and unlikely that these can be changed later.

In Year 10 all students will take English, Mathematics, Science, Social Studies and PE/Health. The remaining lessons per cycle are designated for student option choices. [See Decision 'B' below]. You will be able to select 4 options.

- Students are encouraged to bring their digital devices to undertake school work in class

You have 2 decisions to make before entering Year 10:

**Decision A:** If you are interested in doing your Core Curriculum in a Maori medium class, where instruction will take place in as much Reo as possible, please tick this box:

If you have not ticked the above box, the language of instruction for your core classes will be English.

Maori Performing Arts and Te Reo Maori are compulsory for Yr 10 Reo Rua Students

**Decision B:** Your Option Choices:

Please select your 4 preferred options from the following choices:

Visual Art & Design	Dance & Drama	Music
Wood Technology	Fabric/Textiles Technology	Food Technology

Read the Year 10 curriculum guide course descriptions very carefully. Discuss your potential choices with parents, teachers, form teachers, careers staff, dean and head of faculty or department.
