APPLICATION FOR ENROLMENT AT BAY OF ISLANDS COLLEGE 2017

PARENT / CAREGIVER / STUDENT UNDERTAKING:

I hereby undertake to observe the following conditions as far as they affect me and to do my best to see that the pupil named below observes them:

1. *That the pupil will attend school regularly and punctually and will not be absent except in cases of illness or emergency. I undertake to notify the College Student Centre of any absences.*
2. *That the pupil will wear the College uniform as prescribed.*
3. *That part or full payment will be made when damage to College property is caused by the pupil.*
4. *I undertake to inform the College of any change of address, telephone number or family circumstances within one week of it occurring.*
5. *I undertake to pay all fees, exam entries, subject costs etc. as required to the College.*
6. *I give permission for the College to administer any prescribed medication as needed (Dispirin/Panadol etc)*
7. *I authorise the College to make any such enquiries as are necessary to assist in this enrolment.*
8. *That the pupil will follow the school rules and observe computer and internet guidelines and the school policy on use of Electronic Devices.*
9. *That if the College requests, I will agree to the pupil getting a drug test.*
10. *I agree should the above student be required to be kept at home while awaiting Disciplinary meeting; On request, the school will be responsible for sending work home. I understand that I can discuss urgency with the Principal re: an earlier meeting.*
- 11 *I agree to the College contacting relevant external agencies such as Resource Teacher of Learning Behaviour and Group Services Education (Special Education) if they deem them necessary to assist the Pupils' learning and behaviour.*
- 12 *I understand that the college's Kaupapa Whakanui is "PROJECT RESPECT" and that the pupil enrolling will follow the Respect Code including, Respect for Self, Respect for Achievement, Respect for Others, Respect for Responsibility and Respect for Environment.*

Computer Use

STUDENT CONTRACT

I understand and will abide by the provisions and conditions of this contract and realize that the network and internet/email access is designed for educational purposes only.

I understand that any violation of the above provisions may result in disciplinary action, the revoking of my use and/or appropriate legal action, if needed.

I will not use the school network for any purposes other than that instructed by my teacher.

I also agree to report any misuse of computers, network, internet or email to the teacher, IT Co-Ordinator (Ms Russell) or Principal (Mr Paitai)

Signature: _____ Date: _____

PARENT/GUARDIAN

I have read this contract and understand that computer network, internet and email access is designed for educational purposes only. I also understand that it is impossible for Bay of Islands College to block access to all controversial materials and have discussed appropriate uses and expected behaviour with my child.

I also agree to report any misuse (as described in the preceding pages) of the school network or internet/email to the teacher, system administrators or principal.

I understand that should my child not follow the rules and guidelines of using the school network, internet or email, that they may be denied access and/or disciplinary action may be taken.

I give permission for my child to have access to the computer networks at Bay of Islands College.

BAY OF ISLANDS COLLEGE
PROCEDURE

Use of electronic devices by students

Issued: 2017

DEFINITION:

Electronic devices include all types of: cell phones, tablets, ipods, notebooks, netbooks, laptops or similar devices. Scientific calculators are not included.

1.0 OBJECTIVES

- 1.1 This policy is intended to set out procedures for all teachers and students to follow and expectations regarding the use of electronic devices at school, as well as consequences for misuse.
- 1.2 Electronic devices have the potential to cause disruption in the classroom, by interruption of the lesson and by promoting off-task behaviour by individual students.

2.0 PROCEDURE

- 2.1 The school accepts no responsibility for any loss or damage of electronic devices at school unless the device was specifically left with a teacher. The school will work with students to minimise theft. Students may hand their cell phone into the school office for safe keeping during school hours.
- 2.2 In the event that students bring electronic devices to school they must be switched off before entering a class and stored away in a bag or security lockers. Unless specifically instructed by a teacher they may not be used during class time.
- 2.3 Ear/headphones used to listen to music and hanging around the neck even though electronic device is in a pocket, will also be confiscated if seen in class.
- 2.4 During an assessment (i.e. test or examination), electronic devices are not permitted to be in the direct possession of students. Students carrying electronic devices are required to turn them off and leave them in their bags at the front of the room. In the event of a breach of this procedure the student's test or examination result is likely to be nullified.
- 2.5 Images or sound recorded during school time may not be uploaded to the web, unless specifically instructed to do so by a teacher.
- 2.6 Students must not use electronic devices for bullying and or filming inappropriate images.
- 2.7 Defiance and or conflict over handing in an electronic device or ear/headphones will not be accepted.
- 2.8 The teacher may offer the opportunity for the use of the electronic device and ear/headphones for learning purposes.
- 2.9 In the event of a breach of these procedures by a student
 - The device will be confiscated and stored in the school office for seven days from the day of confiscation and a "Strike Out" may also be issued.
 - Other disciplinary action may be actioned depending on the circumstances, or play of events

I agree to abide by this school procedure Signature:

GATEWAY

Gateway

- is **work based training and assessment in the workplace** with an **average of 20 credits** being worked towards your NCEA qualifications.
- is designed to **strengthen the pathway** for students to progress from school to workplace learning
- provides students with **structured workplace learning** across a range of industries and businesses around New Zealand, while they continue to study at school
- delivers **hands on, practical learning** that leads to **nationally recognised qualifications**
- builds students' **workplace experience**, helping them move smoothly from school to work.

A **Learning Plan** is agreed to by yourself, the employer and the School outlining the assessment and work based training requirements.

Gateway compliments what you are learning in the classroom. Therefore practical components of Unit & Achievement Standards delivered in the classroom are put into practice in the workplace. Evidence is gathered by Gateway, Teaching Staff and your employer for assessment purposes.

If your choice of placement is more Industry specific; e.g. Childcare, Aged Care, Hairdressing, Tourism, Aviation, Farming, Electrical, Building & Construction; just to name a few; assessment packages or short courses such as Customer Service Skills Course or First Aid Course are purchased from Industry Training Organisations or other Private providers for your Learning Plan for you to work through.

All costs involved with Gateway are covered by the school including, transport, learning resources, assessment costs, work gears including wet weather gear, boots, safety equipment, tools required etc.

Generally a Gateway placement is 6 days in the workplace. This can be completed over 6 week period or longer as deemed necessary by the Gateway Team and the employer. School holidays, after school or weekends are also an excellent time for you to do your work base training as this minimises your time out of the classroom.

If you have a part time job already we may be able to include this into the Gateway programme. i.e working in a Café would be an excellent opportunity for you to gain credits by completing the Customer Service Skills Course or even a Barista Course if there is enough interest.

Students undertaking workplace learning programmes can gain the following experiences:-

- Test future career and employment options aligning with the six Vocational Pathways:-
 - Construction & Infrastructure
 - Manufacturing & Technology
 - Primary Industries
 - Services Industries
 - Social & Community Services &
 - Creative Industries
- Increase self-confidence & enhance communication skills through learning in an adult environment
- Learn things in the workplace that are useful for school studies
- Better understand the relevance of school based learning
- Increase motivation and interest in learning
- Improves the efficiency, effectiveness & pleasure of learning by providing opportunities for contextual and applied learning
- Allows young people and employers to get to know one another. This can help make young peoples job search and employers recruitment more efficient.

This Gateway initiative places students in work base training programmes, where they are given instructions and are assessed on their learning. We see this as an exciting prospect for students returning to school being involved in a wide variety of industries including, Horticulture, Agriculture, Hospitality, Tourism, Carpentry, Automotive Engineering just to name a few.

When considering options at Bay of Islands College, Gateway should be seen as a genuine and very positive possibility open to you. Gateway will be helping make the transition from school to work and from youth to adulthood.

GATEWAY PERSONNEL: Shirley Reti Manager/Co-Ordinator
Paul Cochrane Employment & Student Liaison
