Issued: 2015

TUITION REQUIREMENTS

Year 13

Homework is an integral part of preparing students for the future. Without regular homework, students will find it harder to achieve success at a national level. Bay of Islands College aims to develop sound work ethics and increased student productivity through regular homework.

A student studying at Level 2 NCEA should spend a minimum of two hours per night on homework. Students working in paid employment after school must ensure that they meet the NCEA requirements of their courses.

All students are required to have basic pencil case equipment, eg pencil, pens, ruler, eraser, compass, etc. Some items may need replacing as the year progresses.

All students need a bag to carry school gear in!

Students bringing a tablet or laptop to school are expected to hire a locker to secure their equipment as the school takes no responsibility for loss. Lockers are hired through Stowaway Lockers. Information available at the school office.

Students need to purchase printing credits for subjects as required. These are available from the main office in \$1, \$2 and \$5 cards.

The school donation is \$45 per student or \$75 per family. Discounts of \$5 off are available if these fees are paid in Term One.

NZQA Fees \$76.70 – reduced with financial assistance application.

MISSION STATEMENT

*Together we will develop respectful students,
maximising their potential
Attendance + Effort = Achievement*
